

Dear Bill,

We just wanted to send a note of our appreciation to you and all the fantastic volunteers for allowing us to participate in the Sky Kids event. We had corresponded via email and phone regarding Jude's participation since he was a little below the age limit and you so kindly helped me get Jude signed up. It was the day before his birthday and he and his buddy

Easton had an absolute blast. He has had a really tough year and we are so grateful for the opportunity you provided him to bring some joy in to his life. The pilot, Tod, was absolutely wonderful and the boys loved his plane. Here are some photos we took - I thought you might like to see them. Thank you again for all your hard work putting on a fantastic event.

with gratitude,

The Hayes Family

JUDE
